Hi Cindy,

Yes. You have permission to use the photos. Thanks for checking.
Hi Gloria:

I plan to show the before and after photos in the breast augmentation, mommy makeover and facelift galleries in my research project. I will be showing anonymous participants these photos, and based on these photos, will ask them to choose a plastic surgeon based on the photos that they see. I will definitely credit the Smart Beauty Guide in my questionnaire. Will this be permitted if I cite the website properly?
Sincerely,
Cindy Wu, M.D.

Dear Ms. Leigh Hope Fountain:

My name is Cindy Wu, I'm a plastic surgeon at UNC, doing a research project. I am interested in potentially using some of the before and after pictures on the Smart Beauty Guide, which is open to the public. I wanted to inquire about the policy in using these pictures for research. I would be happy to discuss our project with you in more detail, either by email or phone. Thank you for your consideration.

Sincerely,
Cindy Wu, M.D.
