Principal component analysis of native ensembles of biomolecular structures (PCA_NEST): insights into functional dynamics

Lee-Wei Yang, Eran Eyal, Ivet Bahar and Akio Kitao

Bioinformatics 25(5), 606–614

The authors regret that the equation on line 8 of section 2.4 on page 608 and in the footnote of Table 1 on page 609 should be the following:

$$\delta_{PC} = \left( \sum_{u_1} \right)^{1/2}$$
