LICRE: unsupervised feature correlation reduction for lipidomics

Gerard Wong, Jeffrey Chan, Bronwyn A. Kingwell, Christopher Leckie and Peter J. Meikle

Bioinformatics (2014) 30(19), 2832–2833
doi: 10.1093/bioinformatics/btu381

The above article contained the following errors that have been corrected:

- The original URL given for the MATLAB implementation of LICRE is no longer viable and has been changed from http://ww2.cs.mu.oz.au/~gwong/LICRE to https://sites.google.com/site/licrerepository/.
- The received manuscript history date for this article was incorrectly given as November 23, 2014 and has been corrected to November 23, 2013.
