Table 1. PDB: 2JXV. We list the most frequent (Fr) 10 patterns of the largest interval having $R_{i,j} > 0.52$ as well as their \textit{a priori pattern} probabilities (Pr).
Table 2. PDB: 2N3R. We list the most frequent (Fr) 10 patterns of the largest interval having $R_{i,j} > 0.52$ as well as their a priori pattern probabilities (Pr).
