ERRATUM

Metabolism of benzo(e)pyrene by rat liver microsomal enzymes
by Michael C. MacLeod, Wayne Levin, Allan H. Conney, Roland E. Lehr, Betty K. Mansfield, Donald M. Jerina and James K. Selkirk

Page 165, Introduction, lines 18-19: should read
"...is the fact that the epoxide group forms part of the bay region of the hydrocarbon..."

Page 166, Paragraph on Microsomal preparations, lines 5-6: should read
"Cytochrome P450 contents of the microsomal preparations used were: ...." The incorrectly used "cytochrome P450 (P448)" refers to a specific form of cytochrome P450 and not total cytochrome P450 content.

Page 171, Discussion, line 3 from bottom of page: should read
"...can efficiently form B(e)P bay region diol epoxides..."
