The author would like to apologise for an error in the acknowledgements sections of the above article. The corrected acknowledgements section is reprinted below.

ACKNOWLEDGEMENTS

The expert technical assistance of Maria Bust, Swetlana König, Ute Lehmann, Elisabeth Meyer, Susann Richter and Elke Thom is gratefully acknowledged. We thank Katrin Müller-Schmehl and Frank Dombrowski for help with the histological sections, and Klaus Jürgen Petzke for advice regarding GSH and GSSG quantifications. This work was supported by grants from the Deutsche Forschungsgemeinschaft (M.R.), the Wilhelm-Sander-Stiftung (M.R.), the Koeln-Fortune-Program of the Faculty of Medicine, University of Cologne (J.-C.v.K.-R.) and the Leibniz-Gemeinschaft (M.R.).
