CORRIGENDUM

Neuronopathic Gaucher’s disease: induced pluripotent stem cells for disease modelling and testing chaperone activity of small compounds

Gustavo Tiscornia1,‡, Erika Lorenzo Vivas1,‡, Leslie Matalonga2, Ina Berniakovich1, Montserrat Barragán Monasterio1, Cristina Eguizábal1, Laura Gort2, Federico González1, Carmen Ortiz Mellet3, José Manuel García Fernández4, Antonia Ribes2, Anna Veiga1 and Juan Carlos Izpisua Belmonte1,5,*

1Center of Regenerative Medicine in Barcelona, 2Division of Inborn Errors of Metabolism, Biochemistry and Molecular Genetics Department and IDIBAPS, CIBERER, Hospital Clínic, Barcelona, Spain, 3Departamento de Química Orgánica, Facultad de Química, 4Instituto de Investigaciones Químicas, Consejo Superior de Investigaciones Científicas, Universidad de Sevilla, Sevilla, Spain and 5Salk Institute for Biological Studies, La Jolla, CA, USA

After this paper was published, the authors realised that CIBERER was missing in the affiliation of Leslie Matalonga, Laura Gort and Antonia Ribes. The second affiliation should be Division of Inborn Errors of Metabolism, Biochemistry and Molecular Genetics Department and IDIBAPS, CIBERER, Hospital Clinic, Barcelona, Spain, as shown above.

The authors apologise for this error.
