Erratum

A comparative randomized trial to assess the impact of oral contraceptive pretreatment on follicular growth and hormone profiles in GnRH antagonist-treated patients

L.Rombauts, D.Healy and R.J.Norman on behalf of the Orgalutran Scheduling Study Group

The authors of this article wish to apologise for the following error:

In order to be consistent with the Study Design section, the explanatory note with asterisk in Figure 1 should read:

*The start of ganirelix was delayed when at day 5/6 of stimulation no follicles = 14 mm were observed. OC = oral contraceptive. rFSH = recombinant FSH.

instead of:

*The start of rFSH was delayed when at day 5/6 of stimulation no follicles = 14 mm were observed. OC = oral contraceptive. rFSH = recombinant FSH.
