Detection of *COL4A5* gene mutations in Chinese patients with Alport’s syndrome

Xiaoxia Pan, Jingyin Yan, Hong Ren, Wen Zhang, Hao Shi, Haijin Yu, Chaohui Wang, Cuilan Hao, Xiaonong Chen and Nan Chen

In Table 2, the correct mutation or variant under the heading Coding region polymorphisms should have read ‘1533T → G’ and not ‘1535C → T,’ also the correct nucleotide on the same line should have read ‘T → G at 1533’ instead of C → T at 1535. The author would like to apologise for this error.
