Context Analysis of Termination Codons in mRNA that are Recognized by Plant NMD

Koichi Hori and Yuichiro Watanabe
Department of Life Sciences, Graduate School of Arts and Sciences, University of Tokyo, Komaba, Meguro, Tokyo, 153-8902 Japan

The above article was published in Plant and Cell Physiology 48(7): 1072-1078.

Figure 1 was shown incorrectly in the print issue. It was printed without the halftone images in part D.

The correct figure is given below. The figure was correct in the online version.

A footnote (PLoS Biol.) was inadvertently included in Table 1. The publisher apologises for this error.
